My doctor and this practice are really caring and fully understanding these people saved my life and im
Dr Gibson and the nurse I had an appointment with today (I don't know her name) have both been
Extremely polite receptionist supportive doctors. Who get to know you and understand your needs. Short
Friendly,helpful,proffesional.
My reason is New Islington Medical Centre has been my surgery since they moved from Bollington road in
Amazing and proffesional doctor
I feel this way because nothing is ever too much trouble for the doctors and nurses, they have helped me
The staff are very helpful and friendly
I am so sorry i was a bit confused i would recomend it to any body
Because the reception staff and Dr Ali are very professional
Friendly and professional staff
Pleasant staff on reception always approachable. Understanding doctors who make you feel comfortable
Pepole make the difference. Always pleasant and warm.
I have always been happy with my treatment so I would be only to happy to recommend the practice
Because both the staff and doctors are very efficient at their respective jobs
I was seen lincy and she was extreamly efficient, informative and most of all kind
all was good
great
Because I always get appointments when I need them plus Dr Gilbert is a very good doctor always listens
Excellent g.ps and staff wellrun practice in pleasant surroundings
I was wait from 9am for a 9.10am appointment until we'll after half 9. My doctor then asked for some
GP was friendly and approachable and i found him easy to talk to. He gave me good advice on how to
